### TRACK STATISTICS

The Raider Track Team ended the 1972 season on a highly successful note by breaking a number of school records. Among these included: Doug Thompson a new record in the 440 yd. dash with a time of 54.65. The 880 yd. Relay Team broke their own record set in 1971 by .8 of a second with a time of 1:37.1. Finally the Sprint Medley Relay Team made up of Hostetler, Bjornebo, Thompson, and Boerboom set a new time at 3:58.

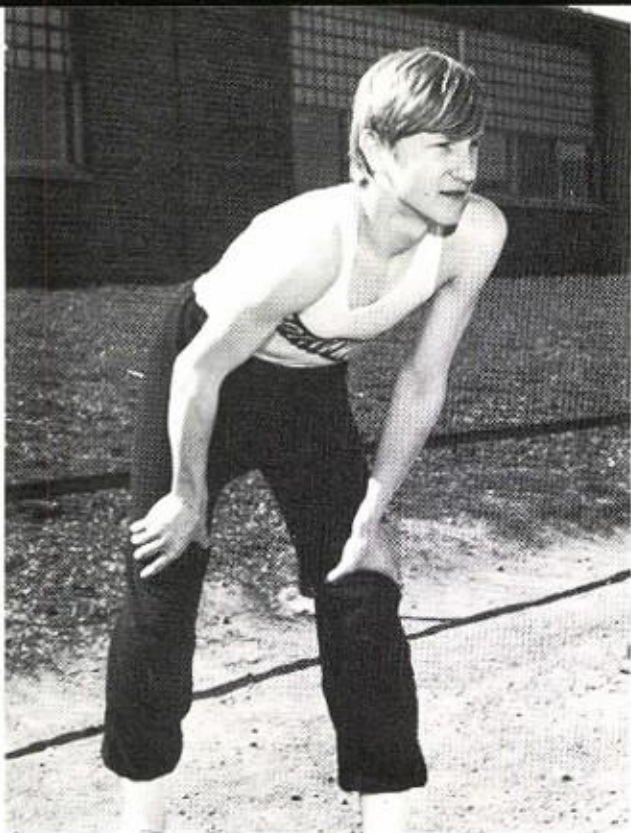

The highlight of the year would probably be the Wacohmi Conference Championship where the Raiders took top honors, bringing home a number of trophies.

The District Track Meet held in Marshall found Rick Jeseritz in the 220 yd. Dash heading for the regional meet.

## The Senior Trip

On May 10, 1972, the Senior Class of CHS and their chaparones spent their skip day divided between the Grotto, Lake Okaboji, and the Worthington Theatre.

After a certain phone call was placed and a waiting period of about ten minutes we finally left at about 5:15 a.m. We stopped in Windom for breakfast at 7:00. We arrived at West Bend at about 10:15. Everyone enjoyed the Grotto very much.

Lake Okaboji was finally arrived at, at about 12:45. We ate at a smorgasbord and had the rest of the afternoon free. Once the bumper cars were completely invaded by Seniors. Man, what drivers! Other free time was spent on the roller coaster, wild mouse, miniature golf, pinball machines, the fun house, or just goofing off. On our way back we stopped in Worthington to go to the show. Between Lake Okaboji and Cottonwood, we stopped twice to eat. Amazing how hungry one gets!

The sleepy gang arrived back in Cottonwood about 2:00 a.m. Thursday morning.

To answer your next question; yes, we were all in school Thursday!

"Morning after!"

"Here we are!"

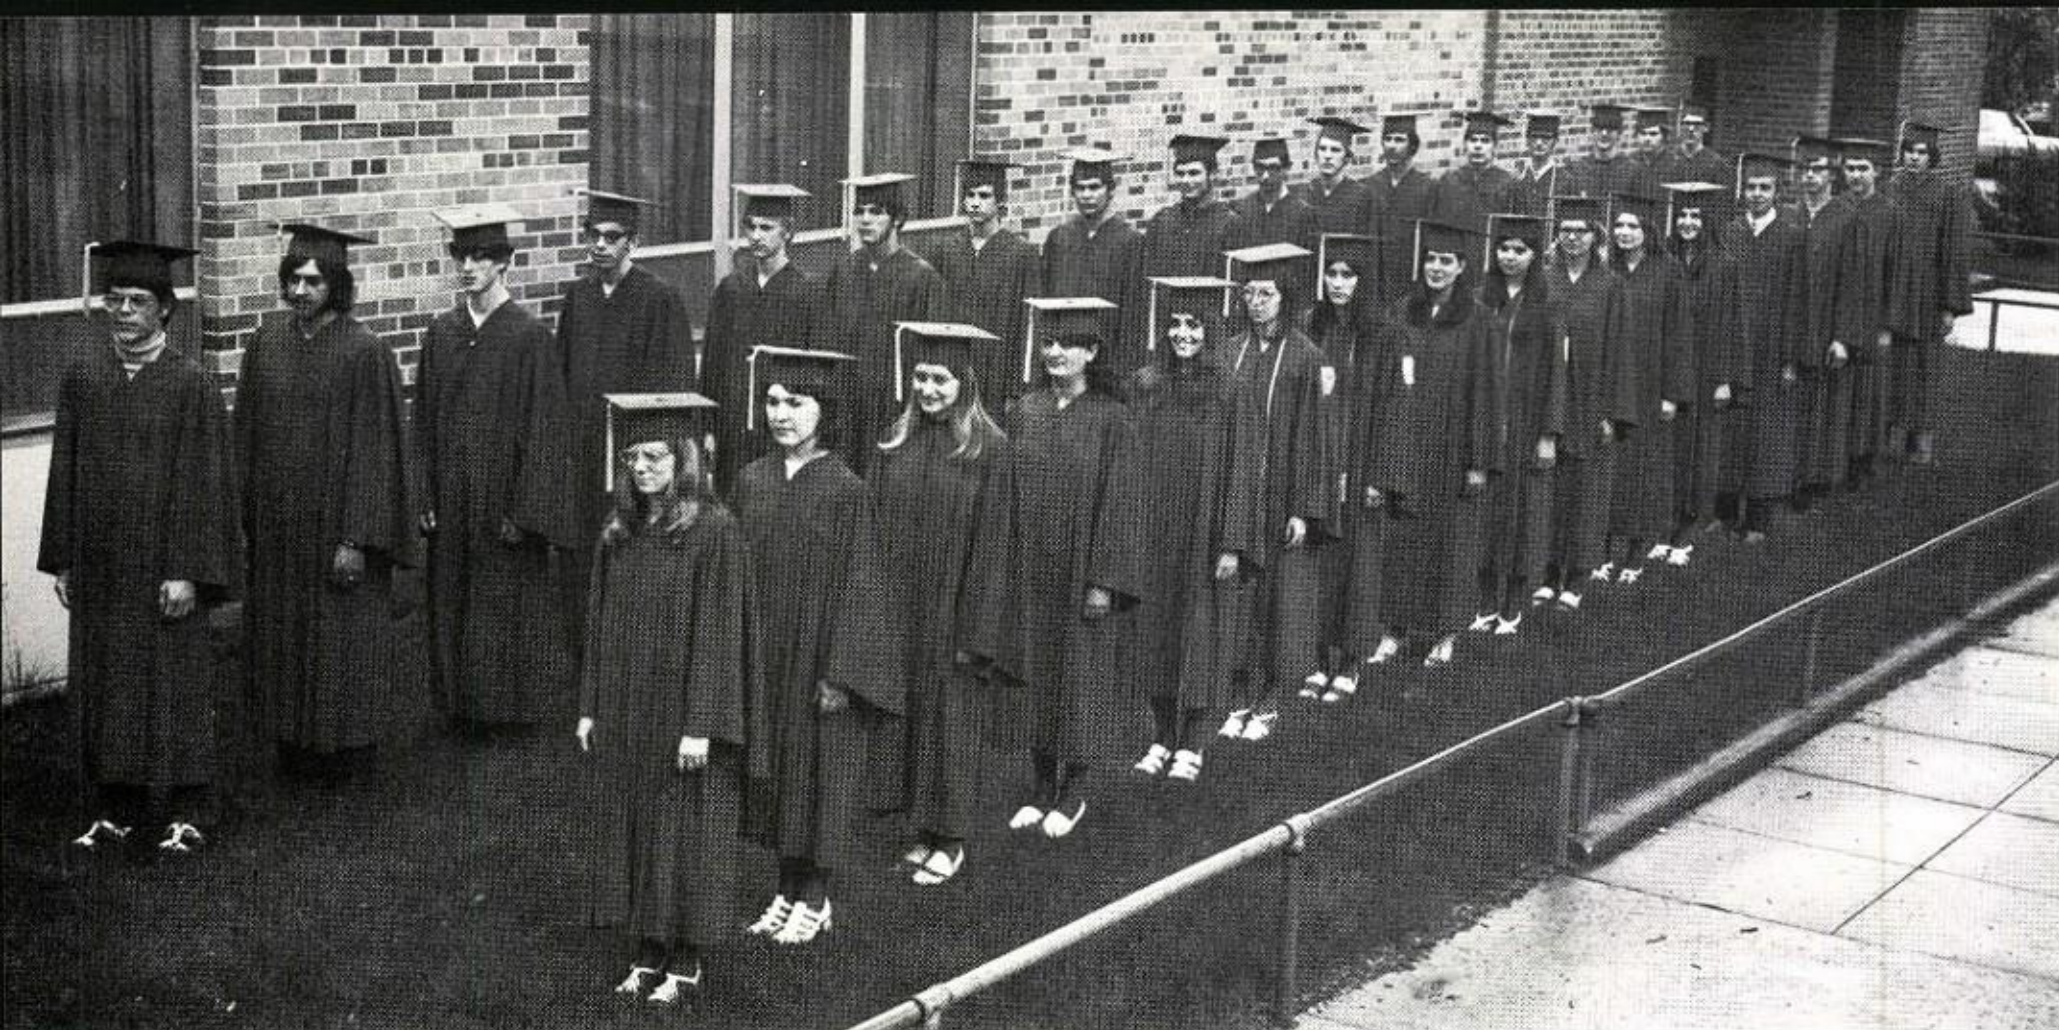

"Look at the statues!"

"Wide awake chaparones!"

## Exchange Students

MATTI KYTOLA, ANDERS WILLART

The 1971-1972 school year at CHS has included many different experiences and new friends. Two new such friends are our foreign exchange students.

From Sweden came Anders Willart. His willingness to share ideas is unsurpassed. Coming to the U.S. is his most exciting moment. He enjoys meeting new people.

From Finland we have Matti Kytola. His shy, innocent manner glows with warmth and friendship. Coming to the U.S. is also his most exciting moment. Traveling around the world and seeing new things are in his future plans.

The memories that Anders and Matti will leave behind will live forever at C.H.S. They have shared many ideas and customs with the students. We wish them happiness and the best of luck wherever they go.

MARINER PROBE OF MARS

In 1971: Iran celebrated her 2,500th anniversary, India and Pakistan had a war, East Pakistan became Bangladesh, American troops continued their withdrawal from Vietnam, astronauts used a Lunar Rover on the moon, the U.S. ping-pong team visited China, Mrs. Nixon visited Africa, Communist China entered the United Nations, Kissinger arranged for President Nixon to visit Peking, Nikita Khrushchev died, Russian Premier Kosygin visited Canada, Canada's Prime Minister Trudeau got married, British soldiers struggled to maintain order in northern Ireland, and the U.S. began her Mariner probe of Mars.
